LOGMET challenges the Army's elimination of its proposal from the competition. The protester does not specifically contest the agency's determination that the version of attachment No. 5 submitted by LOGMET violated the RFP's prohibition on altering the locked/protected status of the Excel spreadsheet.

A database is an organized collection of data, generally stored and accessed electronically from a computer system. Where databases are more complex they are often developed using formal design and modeling techniques.. The database management system (DBMS) is the software that interacts with end users, applications, and the database itself to capture and analyze the data.

### **Database - Wikipedia**

Do you have information about the Wounded Warrior Project? I am retired Army. I go to great lengths to be sure that when I make a contribution to an organization that purports to support the military, that the organization is legitimate and that it sends at least 80% of dollars collected to the cause its donors support.
