HINT: If your Airhead transmission is stuck or difficult to shift; perhaps the lever seems somewhat disconnected inside the transmission: Check the shift lever at the transmission. If it has a Allen screw in its center be SURE that screw is moderately tight because if the screw backs out much, the lever will move & shifting can be difficult, or even not work.

A computer network is a digital telecommunications network which allows nodes to share resources. In computer networks, computing devices exchange data with each other using connections between nodes. These data links are established over cable media such as wires or optic cables, or wireless media such as Wi-Fi.. Network computer devices that originate, route and terminate the data are called ...

Stanislavski's system is a systematic approach to training actors that the Russian theatre practitioner Konstantin Stanislavski developed in the first half of the 20th century. Stanislavski was the first in the West to propose that actor training should involve something more than merely physical and vocal training. His system cultivates what he calls the "art of experiencing" (with which he ...
