Providing turn-key fabrication solutions for over 30 years, Pioneer Group is one of the largest full-service construction, maintenance, and fabrication companies in the Midwest, specializing in general, mechanical, and electrical construction, pipe fabrication and installation, steel fabrication and erection, modular fabrication and erection, plant maintenance, and plumbing and heating.

### **Pioneer Group // Turn-Key Construction & Fabrication Solutions**

A pipe is a tubular section or hollow cylinder, usually but not necessarily of circular cross-section, used mainly to convey substances which can flow — liquids and gases (), slurries, powders and masses of small solids. It can also be used for structural applications; hollow pipe is far stiffer per unit weight than solid members. In common usage the words pipe and tube are usually ...
