Active Reading Note-taking Guide Science Grade 8

Note-Taking Tips Note-Taking Don'ts • Don't write every word. Concentrate on the main ideas and concepts. • Don't use someone else's notes—they may not make sense. • Don't doodle. It distracts you from listening actively. • Don't lose focus or you will become lost in your note-taking.

Earth Science - Glencoe

About 99.9% of all the mass in the Solar system is in the sun. Our Sun is a wonderfully stable one, unusually so even for a G-type, which is beneficial for us. Other stars big and small often emit dangerous-to-life x-ray flares. She has the odd sunspot here and there too, and thank goodness, last time our Sun didn't, we experienced an ice age.
