### **The Language Of Literature American**

American literature is literature written or produced in the United States of America and its preceding colonies (for specific discussions of poetry and theater, see Poetry of the United States and Theater in the United States). Before the founding of the United States, the British colonies on the eastern coast of the present-day United States were heavily influenced by English literature.

American Sign Language (ASL) is a natural language that serves as the predominant sign language of Deaf communities in the United States and most of Anglophone Canada. Besides North America, dialects of ASL and ASL-based creoles are used in many countries around the world, including much of West Africa and parts of Southeast Asia. ASL is also widely learned as a second language, serving as a ...

In an earlier scheme of work – see Literature: Challenging Perspectives – the essence of language art was the central concern. The focus of the activities foregrounded a debate between those who claim that artistic merit is inherent to a literary text, and those who contend that artistic merit has more to do with the dominant ideologies of powerful groups in societies.
