THE SOLUTIONS TO TRAFFIC CONGESTION IN ISTANBUL

The major cause leading to traffic congestion is the high number of vehicle which was caused by the population and the development of economy. To solve this problem, the government should encourage people to use public transport or vehicles with small size such as bicycles or make tax on private vehicles.

Causes and Solutions for increasing traffic congestion

A traffic problem can't just mean that there is traffic; it means that people's lives are being negatively affected by traffic. So I propose three ways in which that could be the case. It takes too long to get places you need to or want to go. The time it takes to get places you need to or want to go is too variable or unpredictable.
