The graphics or charts would help explain my topic better and get my point across to readers. For example, in my documented essay I used a chart to show results of the value of the height of a jump when stretching before and after a workout. This graphic helped support my argument that I was trying to get across to readers.

On reflection (different style for me - fun read) "Mirror, mirror on bathroom wall?" "It's best that you don't look at all. Your skin which once was soft as down Looks more like that of circus clown So smooth to touch and blemish free It's rough as bark on chestnut tree. Once plump and full, no line in sight Resembles vapour trails at night Your lips which once gave full blown kiss Unlikely ...
