Saying that it has always been this way, doesn't count as a legitimate justification to why it should stay that way. Teacher and administrators all over the world are doing amazing things, but some of the things we are still doing, despite all the new solutions, research and ideas out there is, to put it mildly, incredible.

14 things that are obsolete in 21st century schools ...

Psychological pricing (also price ending, charm pricing) is a pricing and marketing strategy based on the theory that certain prices have a psychological impact. Retail prices are often expressed as "odd prices": a little less than a round number, e.g. \$19.99 or £2.98. There is evidence that consumers tend to perceive "odd prices" as being lower than they actually are, tending to round to the ...
