*It will not waste your time. recognize me, the e-book will completely tune you further thing to read. Just invest little mature to admission this on-line declaration answers to human digestive system crossword as well as review them wherever you are now.*

### **Answers To Human Digestive System**

In the 1980s, Mayo Clinic researchers measured digestion time in 21 healthy people. Total transit time, from eating to elimination in stool, averaged 53 hours (although that figure is a little overstated, because the markers used by the researchers passed more slowly through the stomach than actual food).
