Best answer: Yes, tariffs are going to be lifted on steel and aluminium, because it looked like the new NAFTA (CUSMA) deal wouldn't be ratified until they were. As for the war of 1812, it was the British who beat the Americans. There was no such country as Canada then, but the British victory over the USA was a stepping stone in making Canada a Country.

String concatenation (&) in VBA is notoriously slow, so often "stringbuilder" classes like this one are used to speed up the process if you have a large number of strings you need to combine.The general idea is to use an Array() to store individual string components and then combine all strings once, when you need them, using the Join() function. The array is automatically resized as strings ...
