To Build A Fire Reading

would be forced to stop and build a fire. Only under its protection could he bare his feet while he dried his socks and moccasins. He stood and studied the creek bottom and its banks. He decided that the flowing stream of water came from the right side.

To Build a Fire D - For English Language Teachers ...

To Build a Fire. He was a new-comer in the land, a chechaquo, and this was his first winter. The trouble with him was that he was without imagination. He was quick and alert in the things of life, but only in the things, and not in the significances. Fifty degrees below zero meant eighty odd degrees of frost.
