A congressional caucus is a group of members of the United States Congress that meets to pursue common legislative objectives. Formally, caucuses are formed as congressional member organizations (CMOs) through the United States House of Representatives and the United States Senate and governed under the rules of these chambers. In addition to the term caucus, they are sometimes called ...

With the new Democratic majority in the House of Representatives sporting an aggressive oversight agenda on national security and foreign policy issues, it's only a matter of time before a raft of congressional subpoenas are fired off from Capitol Hill. Also only a matter of time is resistance to those subpoenas based on the assertion of executive privilege by the Trump administration.

In drafting the United States Constitution, the framers included features of many novel concepts including hard-learned historical lessons about checks and balances on power and the then-new concept of the separation of powers. Similar concepts were also prominent in the state governments of the United States. As colonies of Britain, the founding fathers felt that the American states had ...
