Hello, I am from 1924. I built a time machine to travel into the future and this is what I see. I am ashamed of the present day Earth and I was wondering if you would want to return to the 20's with me, so we can spread the news. We must keep quiet about the Earth's current situation and events that have happened between 1924 and 2013 (World War II, moon landing, for example).
