The Art Of Critical Reading

To read well requires one to develop one's thinking about reading and, as a result, to learn how to engage in the process of what we call close reading. Students not only need to learn how to determine whether a text is worth reading, but also how to take ownership of a text's important ideas ...

The Art of Close Reading (Part One) - criticalthinking.org

In this article, we discuss the art of engaging a text while reading. To read closely, students must get beyond impressionist reading. They must come to see that simply deciphering words on a page and getting some vague sense of what is there does not translate into substantive learning. Instead ...

Art Influences Learning: By Anna Reyner Art Therapist: Much has been written about how art enhances creativity, imagination, and self-esteem, but far less is said about how art encourages cognition, critical thinking, and learning. Our current education system places great emphasis on academic development. As a result, arts programs are being reduced or even eliminated from classrooms to ...
