Overall, in 2012, developing nations accounted for a total of 5.7 billion people. Even though the income range is quite large, there are still nearly 3 billion people that live on less than \$2 a day.

Economic Inequality: Differences in Developed and ...

Letter writing can be fun, help children learn to compose written text, and provide handwriting practice. This guide contains activities to help children ages 5-9 put pen to paper and make someone's day with a handwritten letter.

An Introduction to Letter Writing | Reading Rockets

This was a very thorough article...I never even thought about a child aspirating a tooth! My younger sister had her baby tooth knocked out in a sledding incident when we were young and I don't think we ever found the one that was lost (the one next to it was chipped but repaired).

What to Do When Your Child's Baby Tooth Gets Knocked Out

From the systematic review analysis, we were able to identify three main drivers of change for advancing education quality and student learning in developing countries (see Fig. 1). These consist of (i) interventions aiming to enhance the supply-side capabilities of education institutions, (ii) interventions targeting supply-side and demand-side changes in preferences and behaviours that affect ...

What works to improve the quality of student learning in ...

Gender is the range of characteristics pertaining to, and differentiating between, masculinity and femininity. Depending on the context, these characteristics may include biological sex (i.e., the state of being male, female, or an intersex variation), sex-based social structures (i.e., gender roles), or gender identity. Many if not most societies use a gender binary, having two genders, men ...

Gender - Wikipedia

Has your child ever come up to you and told you that they have an extra tooth growing out of their upper jaw behind their permanent teeth? It's probably more likely that you've been told that your child has an extra tooth, or supernumerary tooth (we try to make up complicated words!) as dentists like to call it.. If so, you're not alone!

Extra Tooth: Mesiodens and Other Supernumerary Teeth ...
