The Daily Five routine has become a fixture in my classroom. It does require some rethinking of the traditional classroom setup, but the book guides the process in an accessible manner. Now that I have been implementing the program for a few years, I have made modifications that suit my teaching style and the expectations from the school.

### **The Daily Five by Gail Boushey - Goodreads**

It's a common dilemma: Teachers need time to work in one-on-one conferences and in small groups with students during literacy workshop. Yet assigning "busywork" to the rest of the class doesn't help students develop the essential reading and writing skills they need. Can we really expect young readers and writers to tackle challenging work on their own without constant support and ...
