6. This brings us to the evolution of one of the two main state variables in our framework, political institutions (the other state variable is the distribution of resources, including distribution of physical and human capital stocks, etc.). Political institutions and the distribution of resources are the state variables in this dynamic system because they typically change relatively slowly ...

The Lost Cause of the Confederacy, or simply the Lost Cause, is an American historical negationist ideology that holds that, despite losing the American Civil War, the cause of the Confederacy was a just and heroic one. The ideology endorses the supposed virtues of the antebellum South, viewing the war as a struggle primarily for the Southern way of life or "states' rights" in the face of ...

The c-word, 'cunt', is perhaps the most offensive word in the English language, and consequently it has never been researched in depth. Hugh Rawson's Dictionary Of Invective contains the most detailed study of what he calls "The most heavily tabooed of all English words" (1989), though his article is only five pages long. Cunt: A Cultural History Of The C-Word is therefore intended as the ...
