Starter or plenary activity on Order of Operations. Nine different expressions are given, without brackets. Students evaluate the expression as it stands, then have two or three target values that they make from the expression by adding brackets. ...

Order of Operations - Add brackets to the expressions to ...

I was visiting a colleague's RE lesson for ideas, and she was using a snooker style game to get the students to revise for an upcoming test. After talking to the students (who loved the activity) and getting ideas from them how to modify it towards Maths, I have had a go at creating some basic templates, and two topical sheets.
