This list consists of many notable people who identify as transgender. The individual listings note the subject's nationality and main occupation. In many non-Western and ancient or medieval societies, transgender people are seen as a different gender in itself, and there is a separate category for them, one that is different from the binary 'men' and 'women'. They are often described ...

The stages From the Big Bang to Integral I found simple symbolic scenes to express each level so that when we look at them we can get an immediate 'feel' of each stage in their respective quadrants. For instance, amber upper left is someone bathed in the shining light of an almighty god; orange upper right is a marathon runner reaching for high performance; lower right green is a new city ...
