A series of murders that took place in the East End of London from August to November 1888 was blamed on an unidentified assailant who was nicknamed Jack the Ripper. Since that time, the identity of the killer or killers has been widely debated, and over 100 Jack the Ripper suspects have been named. Though many theories have been advanced, experts find none widely persuasive, and some are ...

Racial and ethnic inequalities loom large in American society. People of color face structural barriers when it comes to securing quality housing, healthcare, employment, and education. Racial disparities also permeate the criminal justice system in the United States and undermine its effectiveness. At the Urban Institute, we examine how historical and ongoing public policies,
