TenMarks Math suggests that teachers use the tool after first covering the concepts and material in class or after using the Teach tools for instruction -- this way, the TenMarks system can help teachers identify individual students who may need interventions. Once students' areas for growth are identified, teachers can reassign content to target a range of specific skills.

**Rational and Irrational Numbers Answer Key - Help Teaching**

TENMARKS is an online math program. The math questions are very similar to the kinds of

questions that I would teach in my classroom. They are also related to the Common Core Learning Standards. Students were given a username and password. This is a great program for students to work on at their own pace.
