A home study electronics course for automotive and truck service technicians. "The" Course (as we call it) is written at the electronics technician level but specifically for auto and truck service technicians who recognize they need more auto or truck electronics troubleshooting training (advanced electrical system troubleshooting training is also included).

Home Study Course in Auto/Truck Electrical/Electronics ...

There are two conflicting perspectives regarding the relationship between profanity and dishonesty. These two forms of norm-violating behavior share common causes and are often considered to be positively related. On the other hand, however, profanity is often used to express one's genuine feelings and could therefore be negatively related to dishonesty.
