Thanks for having me today. Anyone who has had family members needing care knows what it feels like to sit and wonder whether or not someone you love is going to be OK. You take it for granted ...

Patient safety: no room for complacency - GOV.UK

Note: Room rates have been revised in effect from 15 Jan 2012. The above fees are only bed charges and exclude other hospital charges e.g. daily treatment fee procedures, medication and laboratory tests.

Room Types and Charges « Regency Specialist Hospital

Patient-centered care is a healthcare buzzword, but what does it really mean? A bedside nurse would say that all her care is patient centered. It's the paperwork and bureaucracy that draws the nurse's focus from patients. All nurses want is time and appropriate staffing levels to focus on patients and their needs.

Evidence-based staffing enhances patient-centered care ...

Identifying patients at risk for suicide has been a requirement of the National Patient Safety Goals since 2007. Since that time, inpatient suicide remains the second most frequently reported sentinel event to The Joint Commission, after wrong-site surgery.

CE article: Suicide risk assessment important part of ...
