Among the many forms of divination is a cleromancy method using the I Ching (易经, yì jīng) or Book of Changes. I Ching consists of 64 hexagrams and commentary upon those symbols. Each hexagram is six lines, each one of which is either yin (represented by a broken line) or yang (a solid line). By randomly generating the six lines by one or another of various methods and then reading the ...

Child development stages are the theoretical milestones of child development, some of which are asserted in nativist theories. This article discusses the most widely accepted developmental stages in children. There exists a wide variation in terms of what is considered "normal," caused by variation in genetic, cognitive, physical, family, cultural, nutritional, educational, and environmental ...

Notes: Thank you all for your lovely comments so far! Since this was written as an RP there isn't a fully-formed plot; this is mostly indulgent porn that a plot happened to seep its way into, but we think it's a good plot in the end :D As such the chapters are sorted mainly by where a natural break in the story comes, so if you haven't seen everything you were hoping for yet please bear with ...
