Parents need to know that Bill Nye: Science Guy is a documentary about the star of the beloved 1990s kids' show Bill Nye the Science Guy and his attempts to "leave the world better than he found it" after the show has run its course. The movie isn't specifically aimed at kids, but there's very little iffy content. Aside from some self-reflection that could be a little bit boring for younger ...

R f values are calculated by looking at the distance each component travels on the chromatography paper compared to the distance traveled by the solvent front. This ratio will be different for each component due to its unique chemical properties. When measuring the distance the component traveled, you should measure from the origin (where the middle of the spot originally was) and then to the ...
