Best Answer: There's no time limit on when you have to fall in love it's just some bullshit that someone said you shouldn't tell them straight away or too soon as it'll scare them off. If you said it you can't really take it back. He didn't have to say it back if he didn't feel the same (in my opinion) until he thought he was ready to so **** what those other people said.

The answers don't require thought. They just require line references. "C is wrong because line 32 says..." "Line 47 directly says D", etc. There's none of the logical subtleties of LR, or the chains of reasoning from LG. In reading comprehension, you can prove or disprove most answers merely by pointing to a line.
