In the early 18th century, English spelling was inconsistent. These differences became noticeable after the publishing of influential dictionaries. Today's British English spellings mostly follow Johnson's A Dictionary of the English Language (1755), while many American English spellings follow Webster's An American Dictionary of the English Language ("ADEL", "Webster's Dictionary", 1828).

Although realize is now regarded by many in the U.K. and Australasia as the American spelling, it is not an Americanism. In fact, the -ize spelling variant is older than -ise—realize predates the United States and Canada by nearly two centuries—and has been the preferred spelling throughout most of the word's history in English. If we can believe the ngram below, which graphs the use of ...
