A biology resource site for teachers and students which includes lesson plans, student handouts, powerpoint presentations and laboratory investigations.

### **The Biology Corner**

The AP college board lists 13 labs for its recommended curriculum, however, teachers are not limited to only using their versions of the lab. AP biology teachers submit a curriculum for review and approval and must include laboratory exercises that align with their core ideas. Some of the recommended labs may be too expensive or too time consuming for your class.
