After answering all 50 questions, go to the answers, which are listed directly after the questions, and compare your answers against them.

### **AAMA - Anatomy and Physiology Questions**

For my human anatomy and physiology honors class, we have to do a research project. My teacher wants us to give him a proposal next week on what our topic is. I have been thinking and I can't think of anything good enough. Our project may involve human subjects. My teacher doesn't want our project to involve finding the reaction time of something because he thinks that's boring.
